Hommage to our founder, the father doctor, Shivago who comes to us through his saintly life. Please bring to us the knowledge of the nature, that this prayer will show us the true medicine in the universe. In the name of this mantra, we respect your help and pray that through our bodies you will bring wellness and health to the body of our client.

The god of healing dwells in the heavens high while mankind stays in the world below. In the name of the founder, may the heavens be reflected in the earth below so this healing medicine may encircle the world.

Na-a Nava Roga Payati Vinasanti (3x)

We pray for the one we touch, that they will be happy and illness will be released from them.
